

15 February 2013

By Email: michaelw@mtmphysiotherapy.com.au

Dear Michael,

Thank you for expression of interest in providing physiotherapy services to WAIS. I am pleased to confirm an offer for you to provide services to the WAIS Men's Hockey sport program. I will forward by post a WAIS consultancy agreement which will detail the conditions, fees and other benefits for provision of these services.

If not already, the Performance Team Director for the allocated sport programs will be in contact to confirm the meeting schedule for these programs and to discuss any specific service issues you would like to raise.

Again thank you for your interest in supporting our athletes.

Kind regards,

Steve Lawrence
Executive Director
